Beschreibung

Flagship Boat (Light Vessel LV94 from 1939 - originally in the Port of Amsterdam), transformed into a Public Establishment (Etablissement recevant du public - 4th category (300 pax) and on standby in the Port of SETE (France).

The boat was completely restored from 2018 to 2020 (public safety compliance) and has already participated in the Georges BRASSENS centenary in 2021 in the city of SETE / France.

The last hull survey was conducted in December 2016 by COMEX nuclear.

The boat's fittings are new.

A restaurant with 70 indoor seats + an event and catering bar on the upper deck for 80 people + a concert hall with 150 standing places and a bar, front terrace with a service bar.

The RAZZLE Boat is sold without kitchen equipment, lights, and sound (available for rent).

Lighthouse, masts, and demountable deck superstructure terrace

The compliance papers are French (European); the lighthouse boat can be visited at the Port of SETE, but in case of acquisition, it will have to leave the Port.

The boat was already towed from Amsterdam to Marseille in 2017.

The boat is still registered in the Netherlands and has all the French regulatory papers to receive the public.
