## Ausstattungen

## Beschreibung

The Oceanis 38.1 cleverly combine practical features, performance, and elegance on boat sizes where function generally outweighs personalization. Designed to suit a variety of sailing programs and increasingly different lifestyles on board,  
 The Oceanis 38.1 offers a performance to habitability ratio second to none on this size of cruising yacht. Length and beam on the waterline have been extended to the limit to make her quick to cut through the water, while increasing stability.  
 Lucinda Claire has fastidious owners from new. Privately owned and lightly used. Fully equipped and professionally maintained. In superb condition. Viewing highly recommended.
