Motortyp: Nanni N450
Kraftstoffart: petrol/gasoline
Betriebsstunden: 1800
Kraftstoff: 200 l
WC/Nasszelle: 0

Ausstattungen

Beschreibung

FIRST 435 from 1988 available in Le Marin, Martinique

Discover this superb racing-cruising sailboat with 3 cabins (at the rear a double cabin and a single one sharing a bathroom and at the front a double cabin with its own bathroom).

This highly performing boat under sails was the winner of the ARC 2023 in its category. It is very well equipped with all the necessary and mandatory elements to participate in the famous transatlantic race. The boat was prepared for a world tour in 2023 after 5 years on dry land. Less than a year ago, it benefited from numerous improvements including a complete new Raymarine electronics, 500 W of solar panels, a 400 A lithium battery, Victron charger, regulator and converter, a desalinator from November 2023, a completely revised windlass, new anchoring, refurbished plumbing, new refrigerator, up-to-date safety equipment, new bimini and cockpit cover... In 2010: the inboard engine was changed (currently with 1900 hours on the counter), new Maxspars mast and replacement of keel bolts. Full set of sails in very good condition from 2016 but not used for 5 years between 2017 and 2022. This unit is available immediately and ready to go for a world tour in complete autonomy.

For more information on this great opportunity, contact: Vincent Vallée Le Marin, Martinique +33(0)7 49 42 89 57 vincent.vallee@mib-yacht.com

Accessories
