## Beschreibung

The VanDutch 40 was an ultra-modern appearance when it was introduced and its minimalist appearance still is. The ship is perfect for spending time on with family and friends and having an unforgettable day. Its powertrain with two Yanmar 260hp diesels also makes the ship suitable for travelling long distances, putting that one nice bay or that tasty restaurant on the next island within reach. This VanDutch 40 is available for viewing by appointment, don't wait and contact us for a viewing.
