Belle Ayaz (1983)

An elegant 24-meter schooner with a draft of 2.6 meters, gracefully sails with all the modern amenities necessary for high-sea adventures (Cat A).

Powered by a Mann D2566 245Hp engine. Originally from Turkey, she has distinguished herself by winning the prestigious Bodrum Regatta several times. Used in the Mediterranean and along the Atlantic coasts, from Spain to the Netherlands, she is a symbol of luxury and elegance. In 2023, Belle Ayaz underwent meticulous maintenance at the shipyard. Her underwater hull was carefully sandblasted, her wood received an annual fumigation treatment, and a new painting system was applied. Since 2015, her owner has been residing on board for most of the year, lovingly ensuring her upkeep. Belle Ayaz is ideal for family or friends cruises, while offering the comfort and luxury expected in the high-end market. EU VAT has been paid.
