The Frauscher 1414 Demon Air combines the typical design notes of the Frauscher shipyard - the flat bow with it's vertical stem, the Z-shaped sideline and the frameless windscreen. Due to a freestanding centre helm the Air variant offers more space and comfort. On deck, the 14m long offshorer has a welcoming lounge area with a bar and a spacious bathing platform. Inside is a large seating area with a kitchenette, a bathroom and a cabin in which up to four people can stay overnight. All these features turn the 1414 Demon Air into a highly functional Gentlemen's Racer for day and weekend trips.
