The "Vrouwe Jacoba" is an 18.20 meter long Tjalk from 1911. At the very front of the ship you will find a spacious owners cabin, with a shower and toilet directly in front of it. The largest part is the living room with open kitchen and a good view outside. The ship needs some attention, but with that a long life to go. Soon on auction in cooperation with Troostwijk Auctions. Visit her on one of the upcoming announced viewing days in Maasbracht (NL)! Click for more information <https://bit.ly/3lyd6jG>
