Breite: 4,20 m m  
Tiefgang: 1.3000 m  
Motortyp: Scania  
Kraftstoffart: gas/lpg  
Kraftstoff: 3400 l  
WC/Nasszelle: 0

## Ausstattungen

## Beschreibung

**Rare and extremely valuable wooden cabin cruiser from 1971, known for its originality and design, manufactured by the Marguerie Shipyard in Choisy-le-Roi, a shipyard since 1888, renowned for building the famous sailboats designed by architect Cornut.**

Here, a classic plank-hulled cabin cruiser in Iroko wood is crafted. As stated by its current owner, the boat was built to last for 100 years. Three complete refits in 1990, 2000, and 2010 have already been carried out to keep it in perfect condition.

This 16.00-meter cabin cruiser features 2 berths and is equipped with 2 Scania D19 engines (2000) producing 318 hp each, mounted on a shaft line with a 4-blade propeller.
