Beschreibung

The sailing yacht was built around 1957 at the Krieger boatyard in Wiek on Rügen for a company sports organisation in the GDR. From 1997 to 2002, the yacht was reconstructed/rebuilt, which had become necessary due to its previous use and age. The reconstruction was carried out under the direction and cooperation of Mr Oliver Marten, a qualified shipbuilding engineer and trained boat builder. She is very well sailing and has a warm classic mahogany interior.
