PITUXIN is a beautiful, seaworthy, custom-built steel motor sailer built for a very demanding owner in 2001. The hull shape is inspired by the Atlantic Spanish fishing vessels that can endure the harshest conditions. The deck layout is well-designed for safe manning of the sails and equipment. The lifted, large aft deck sitting area leads to the spacious bridge and further to the beautiful main salon. Large master cabin and guest cabin mid-ship and 2 guest cabins aft,

separated by a dining area and galley.

Very well maintained by the experienced crew and owner.
