## Ausstattungen

## Beschreibung

### **Exclusive at MiB Yacht Services: Oceanis 37 from 2007 with its year-round berth at Marina du Marin in Martinique, French flag (European VAT paid), and local taxes paid.**

Discover this beautiful sailboat with 3 cabins, a bathroom, and a galley in an angle overlooking a large saloon spanning the entire width of the boat. The cockpit is very spacious for a 37-foot unit and easily accommodates guests on board. Well-equipped and well-maintained by its successive owners. Significant points have been recently addressed such as the standing rigging replaced in 2019 and the Raymarine electronics completely upgraded in 2018 and 2019. The Yanmar engine of 39 hp with only 1600 hours was installed in 2009 to replace the original 30 hp engine, ensuring the sailboat more power. This boat is available immediately and ready to sail. Ideal for a family intending to cruise the Antilles while retaining the safety of the berth at Marina or for a more sedentary program with regular navigation.
