Buy a piece of history , An eye catcher in any harbour!, Located in Italy.

CAN CAN is a gentlemans classic Performance cruiser. Originally built for racing and won 9 of 10 races first year. She even participated in Admirals cup and was 4 in total in Fastnet race.

Lots of work and lots of new things were done 2012-2015,

For example: - New mast, boom, kick and spinner boom in carbon ordered from PAUGER, Hungary / White for the classic look

- The hull gets new surface layers both below and above waterline

Unfortunately, boat has not been used since pandemia and now needs some repair.
