Beschreibung

A beautiful 20m aluminium ketch cutter with pilot house built by the famous Picchiotti shipyard in La Spezia Italy, renowned for building aluminium super yachts. As a custom built owners yacht, she came from the drawing board of the legendary Jack Laurent Giles.

She is comfortable, light and fast and extremely well built by Picchiotti from rolled aluminium so her lines are seamless. This true blue water ketch with her hydraulic rig makes sailing her short handed or even solo simple.

She was originally built as a high latitude luxury owners yacht and is insulated from the water line up.
