This Waterdream 850 was originally used for Waterdream's own marketing material because of her stunning color scheme. With her powerful but noiseless 200HP Yamaha, she is perfect for quiet cruising or for an adrenaline rush at extreme speed. She is also the centerpiece of any party. Thanks to the unique karaoke set/mixing panel with two wireless microphones and a powerful sound system, you can party great. She is equipped with a toilet and with very few cruising hours, this is your chance to own her for a high discount.
