Extra info: Four opening windows and large sliding roofhatch for more light and ventilation.

Extra info: Sturdy built roundbilged flange-welded hull. Two small keels for easy motion, protected prop and supported fish-tail rudder.

French Canals ready!

Extra info: Mosquito gauzes for portholes and sliding roofhatch.

Pretty example of a typical Dutch round bilged motor yacht. Well built and maintained, nice woodwork and rugged flange welded hull. Equipped with central heating, ample storage and large tanks for extended stays onboard or cruising. Her current owner sailed her comfortably throughout Europe and also made trips to Scandinavia. Large windows (incl opening) for light and ventilation and a nice view from the deck salon. You will appreciate the aft cabin with separate shower and well stocked galley plus private dinette. So contemplating on discovering Europe This

Gillissen may be the one for you.
