The Aquanaut Unico 1300 Long Version called "Truant" is the motor yacht you are looking for if you want to take inland waterways and sea trips (CE B). This Aquanaut is very suitable for a longer comfortable stay on board, also because of her spacious saloon, owner's cabin with separate shower and separate toilet. During the winter months it is also nice to stay on board thanks to the Kabola central heating. Due to the limited headroom of the "Truant", cruising through the small French canals is also possible. This Aquanaut can be visited by appointment.
