The 'Pilot Whale 45' is a design by the famous designer Willem Nieland.

Upon entering the ship you immediately step into the wheelhouse combined with a seating area. Further to the front is the kitchen with stove, microwave and refrigerator. Opposite the kitchen is the dinette. From the kitchen you enter the owner's cabin, which has its own shower and toilet.

Once you go from the wheelhouse to the stern you enter the stern. Here you will find a desk with a corner sofa/sleeper. This area also has its own toilet and shower.
