Tiefgang: 1.6800 m
Gewicht: 5500.000 kg
Motortyp: Volvo Penta 2030D SD
Kraftstoffart: diesel
Kraftstoff: 150 l
WC/Nasszelle: 0

Ausstattungen

Beschreibung

Nice example of a Bavaria 36. "Imagine" is a rare one private owner boat from new in the 2-cabin layout with generous double berthed cabins fore and aft, larger L-shaped galley and comfortable saloon.
Navigation aids include a chartplotter, wind speed/direction, autopilot and DSC VHF. Well maintained Volvo diesel with sail-drive.

Construction and Mechanical CONSTRUCTION

Constructed of multi mat GRP and foam cored stiffening sections and stiffened by bonded-in grp liner/grillage, with part bonded bulkheads, half bulkheads, and longitudinal stringers.

The liner/grillage forms the primary stiffening and keel support structure and provides fit out and support for bulkheads, internal floors and furniture, and is perimeter bonded and flange laminated to the hull.

The one piece deck moulding is of foam cored multi mat grp and is bond jointed to the hull shell at the sheer flange and transom.

The topsides are finished in a white gel coat with navy style stripes

External Lead fin ballast keel which was a factory option.

Wheel steering is by Whitlock cable linkage to an alloy quadrant to a GRP spade ruder on an alloy stock section.

ENGINE

Volvo Penta MD2030 28hp 3 cylinder diesel engine, original.

Fresh water cooled.

Engine serviced 03/2024.

Sail drive, 2-blade propeller..

ELECTRICS:

12/240v electrical systems

3 x batteries

Batteries charged by engine, shore power or solar or wind generator

Battery charger

Shore power with cable

Air Breeze Wind Generator

Solar Panels on Stainless arch

WATER:

Hot and cold pressurised water system

Water heated in 40 litre tank with 230v immersion heater or engine heat exchanger

TANKAGE

1x Diesel tank 150 litres

2x Water tank 300 litres

Mast Rigging and Sails, Accommodation

RIGGING/SPARS

Sloop rig with slab reefing.

Roller furling genoa.
