Attention Rare and Exceptional Yacht: The TM52 Joubert Design

This magnificent sailboat, nearly 16 meters in length, is crafted from the designs of two of France's most renowned naval architects, Joubert and Nivelt.

Its composite hull, teak deck, and wooden interior appointments bestow upon it a unique class. With only 5 exemplars produced worldwide, it ensures a truly exclusive sailing experience.

The yacht is fully equipped with top-of-the-line comfort and the most modern technology. Its classic and elegant lines, accentuated by polished wood, along with its noble interior, will captivate you. Recently renovated and upgraded with brand new sails, this vessel promises maximum sailing pleasure.

The TM52 Joubert Design embodies the essence of a modern classic in the world of yachts. Crafted with meticulous attention to detail and a bold vision, this yacht distinguishes itself through its harmonious blend of tradition and innovation.

With its graceful lines and cutting-edge amenities, the TM52 offers an unparalleled sailing experience, marrying timeless luxury with state-of-the-art technology. Unlike any other, it epitomizes refinement and exclusivity, inviting its passengers to embark on unforgettable maritime adventures in an exceptional setting.
