Amel Maramu 46 "Pamphile II" is a fine example of a great, no nonsense blue water cruiser. The Amel Maramu 46 is truly a classic ready to circumnavigate shorthanded or singlehanded. Safe, strong and easy to maintain. The genoa furler, main sail are electric, sheetwinches oversized and thus easy to handle in all conditions. Fully refitted in 2007. The excellent storage space, headroom sturdy built and reknown quality all speak for the Amel Maramu 46. She is ready for inspection.
