Beschreibung

The Dufour 412 GL was developed boldly and innovatively. The yacht impresses skipper and crew. The helm area is precisely tailored to the skipper to make maneuvering easier. The crew is offered a spacious cockpit, wide side decks and an extended bathing platform. The Dufour designers clearly focused on optimizing the space on board with appropriate functions. This increases the quality of life on board when cruising. In particular, the excellent sailing characteristics and the good, extensive trimming make her an rewarding cruiser.
