Beschreibung

This Van Der Heijden Superior 2400 which comes with CVO, has undergone a very luxurious re-fit in 2019.

During this re-fit, the exterior and interior was completely addressed. Thus, it is the layout of the interior also completely changed. The engine room has been split into its various spaces, making room in the stern for a large & luxurious owners' cabin.

Also technically this yacht has been well addressed during her re-fit. Almost all technical components have been replaced and she is equipped with a Yachtcontrol system.
