Kraftstoffart: diesel
PS/kW: 55 / 40
Betriebsstunden: 2600
Kabinen: 2
Kojen: 4
WC/Nasszelle: 0

Ausstattungen

Beschreibung

Anybody looking for a long passage maker will have heard about the incredible capacity of the Tayana 37. As a double ender it can handle swells of 8m plus with ease. This one has been prepared to even venture to high latitudes with 8 bulkheads and a re-enforced bow with 3stringers on each side. A windvane steering and a Raymarine autopilot as backup. A wind generator and solar panels for autonomy. She had a major refit in 2006/07 for serious longdistance crossings and now in the yard in Lagos. The ideal boat for safe sailing across any ocean.

Reinoud Bicker Caarten at De Valk Portugal is your go-to contact for any questions. Feel free to give us a call.

We provide only a selection of key information on this platform. For complete details, please visit our website, where you'll find:
