New DC Motor and membranes 2023 for the water maker, new rudder stock 2023

Description

The multi-award-winning design of the NEEL 45 offers a completely new multihull concept with outstanding sailing characteristics, seaworthiness and single-handed suitability for both small crews and charter operations. The design, by the famous Joubert/Nivelt design-office, utilizes all the advantages of the trimaran. The light-flooded 60m² loft flat extends over the centre deck area. The main hull serves as a subdivided engine, tank and generator-room. The insulated floats are used as storage space or additional sleeping areas. The N°18 for sale here is consistently designed for owners and offers all the options for comfortable living on board on long voyages. This NEEL 45 sailed with the Swiss first owners for a sabbatical year in the Caribbean and successfully in the *Barbados 50 Race 2016*. Since spring 2017, this NEEL has been cruising in the Caribbean with the Dutch second owner, beforeb he decided to give up sailing, and so the NEEL 45 has passed into the hands of the current German owner in 2021. The owners refitted the trimaran for their Sabbatical with kids and sailed in the Caribbean and Pacific for three years. They returned to their business-life ashore now and offer their NEEL 45 N°18, very well maintained, fully equipped and ready to continue on the world odyssey with the next proud owners.
