Beschreibung

Arde 1500 built at Scheeps en Jachtwerf Jan Kok and offered by her first owner. A yacht with a number of special features such as a very low bridge height, shallow draught, very quiet thanks to excellent engine room insulation, solid and heavy construction resulting in very pleasant sailing characteristics. The ideal travelling companion if you want to sail through Europe or just visit the Baltic Sea, anything is possible. "Avontuur III" is moored in our covered sales marina in Sneek, where we kindly invite you for a viewing.
