More info on hull: ANTIOSMOSIS PROTECTION TREATMENT in 2018 by previous owner
Sadler 32 is a great sailing yacht & very easy to sail short handed. She has been designed by David Sadler to be an upgrade to his Contessa 32 design. The original engine of this yacht was replaced in 2008 & overhauled in 2023. The yacht has had full anti-osmosis preventative treatment on her hull in 2018 & new standing rigging in March 2024. Many improvements done by present owner. Sadler 32 is ready to sail away to anywhere.
