Beschreibung

Regardless of her age, Oyster Cove, model Oyster 53 HP, hull number 8, built by Western Yacht in 1987 and the yard's flagship at the Lisbon International Expo, is clear and solid proof of an extremely strong, seaworthy, and beautiful design by the legendary yacht design firm Holman & Pye built by one of the best sailboat yard in the world. She has circumnavigated the planet, crossed the Atlantic three times and sailed in higher latitudes without suffering any signs of stress. It looks like she still has the full potential to sail the new owner wherever they wish, why not embark again?
