Beschreibung

The VA 403 is a true gem in the sailing world. A unique and well-thought-out design by Yachtdesign v. Ahlen, built with great attention to detail by its owner. Its vacuum-built epoxy hull is both solid and lightweight, featuring a stylish, comfortable interior with two cabins. The VA 403 is exceptionally easy to sail and effortlessly outperforms comparable models from X-Yachts, Grand Soleil, Solaris, and Dehler-both in speed and build quality. This stunning yacht can be visited for viewings along our sales pontoon in Sint Annaland. A visit is absolutely worth it!
