Sea Ray 410 'Express Cruiser' model 2000

2 x Caterpillar 3116-TA 'Welle' (2 x 350 HP) only 650 hours.

A timelessly beautiful yacht that has remained 'young'....technically functional in all respects!

Visually, the hull and deck would have to be polished and waxed in spring 2025 and the cockpit upholstery renewed.

The owner would contribute to these costs.

For many years technically maintained by a German master boat builder,  
whom the owner has flown in twice a year.
