WC/Nasszelle: 0
Trailer: ohne Trailer

Ausstattungen

Beschreibung

This Catalina Morgan 43 was designed by the Nelson and Marek team. This sturdy, centre-cockpit blue-water cruiser has pretty lines and a powerful rig. Suitable for a family or couple with guests. Below the generous master stateroom has a centre line queen bed and ensuite heads, shower and half bathtub. The fwd V-berth for guests is comfortable with plenty of storage and its own access to the fwd heads. The saloon table can seat up to six or seven with port settee converting into a double bed for extra guests. The engine room is spacious and the enclosed cockpit provides shady comfort while living and sailing in the tropics. Already conveniently located in Grenada in the Caribbean.

Accommodations

The layout offers up to 7 berths in 2 cabins + saloon. There is full 6'5" standing headroom and good ventilation throughout. Starting forward is the private guest stateroom which contains a large V berth, anchor locker access, hanging locker to port, and lots of storage. There is private entry to the fwd head and shower cubical. Continuing aft, the main salon has a port settee and wrap around starboard settee. Drop leaf table seats 4 to 6. Port settee converts to double berth, stb settee can be used as a single berth. There is ample storage below & behind settees with large shelves above. There is a second entry into the fwd head from main salon. Continuing aft to starboard is the U-shaped galley with ample counter space, storage shelves, and drawers. Double ss sinks, Seaward 3322 oven and hob, a Grunert refrigerator and Moulinex microwave/grill. Opposite to port is the well-appointed nav station and communication equipment. The walk through to the owners stateroom aft has a large work counter w/ drawers outboard and provides easy access to the engine room. The master stateroom aft is light and airy with a centreline queen berth and contains an ensuite head with tub/shower.

Mechanical Systems

The Yanmar 4JHE 40hp engine has 3300hrs. Engine serviced annually. A Kankazi KBW20 transmission drives a 3 bladed feathering prop.
