Beschreibung

This beautiful 'Boarcruiser 55 Classic Line' was built in 2006 and is panelled with a warm & shiplap interior.

In the stern is the spacious owner's cabin which has its own sanitary facilities. In the bow there are 2 guest cabins which share sanitary facilities.

Technically the ship is also very complete. The drinking water pumps, charger and inverter are double. The main engines and generator are both equipped with a hydraulic pump, so the hydraulics can always be used.
