Beschreibung

Beautiful and excellent maintained Hanse 575 3-cabin version. As the engine and generator hours show, she has only been lightly cruising used. As a result, she hardly shows any signs of use! This yacht is packed with fine extras and innovations. Upgraded 150 Hp engine, Hanse easy tender system, electric tables in- and outside, almost new sails, recent Highfield tender and outboard, etc. The owner is a captain on large cruise vessels and as a pleasant bonus for you, with his experience he kept the ship in a very tight maintenance schedule. Highly recommended yacht!
