Gulet 33 is a classic wooden boat, constructed in Turkey. With 33m of length and 8.5 of width & 2 bridges it is among the most spacious boats in its category; excellent choice for large groups and navigation in the open sea. With 16 cabins & 16 toilets she is ideal for large groups. The 16 cabins are divided into doubles, twins, triples and quadruples. The gulet has wide outdoor spaces; sunbeds for sunbathing are located on two levels and the tables where meals are served in the stern and in the bow. The internal lounge features a table, bar and kitchen. The crew cabins are positioned separately.
