Beschreibung

This beautiful Stevens Columbus Koter features a neat teak interior and an owner's cabin in the stern. Extra sleeping space can be created in the bow by converting the round seat.

The boat is equipped with 2 steering positions positioned in the saloon and on the aft deck. The aft deck is also equipped with a bimini.

This Stevens Columbus Cutter was technically delivered by Stevens Nautical and further finished in-house.

This year the boat was provided with CE-C certification, new antifouling and depth gauge.
