## Ausstattungen

## Beschreibung

This beautiful luxury Motor was built by Stentor in Romania. She has a CE-A certificate, DMS Magnusmasters and a large fuel tank capacity making her ideal for sea trips. In addition, her length-width ratio also makes her ideal for trips on inland waterways, including through France.

Furthermore, the interior is luxuriously finished and equipped with 2 cabins, spacious saloon & galley, sanitary facilities.

Technically, this luxury motor is very complete, including Radio Holland navigation equipment, John Deere main engine, Kohler generator, Ankreo spud pole in foreship, etc.

Ian Pols at De Valk Altena is your go-to contact for any questions. Feel free to give us a call.
