Beschreibung

The Aquila 42 Yacht is the best example of maximum volume in lesser length and offers its owner and guests space of a much larger mono hull 50-55 feet yacht. She offers three spacious staterooms, a utility cabin, Volvo Penta engines, loads of storage, and comfortable spaces in the cockpit, flybridge, and foredeck. Whether you plan on long-distance cruising or entertaining at your favourite local destination. A key design element is the absence of a hydraulic bathing platform, opting instead for a fixed platform that remains high above the water to avoid contact.

Jörg Hellmich at De Valk Almeria is your go-to contact for any questions. Feel free to give us a call.

We provide only a selection of key information on this platform. For complete details, please visit our website, where you'll find:
