Tiefgang: 1.5500 m
Gewicht: 6500.000 kg
Kraftstoffart: Diesel
Kraftstoff: 120 l
WC/Nasszelle: 0

Ausstattungen

Beschreibung

Comments

Extremely smart and well equipped example of this popular fast cruising yacht. Her foam sandwich construction gives reserves of buoyancy in case of accidents making her virtually "unsinkable" to the point of being exempted from needing a liferaft up to 60 miles from a safe haven under French regulations. You will be hard put to find a better Etap 38i so we recommend early viewing.

Mechanical

Volvo Penta 2003T 43hp turbo charged diesel engine. Saildrive with 3 blade folding propellor and rope cutter. 1 x 12v 110a/h gel engine battery. 2 x 12v 110a/h gel service batteries.
