Laertes is a Steel Dutch Trawler Yacht, designed by Kurt Beister and built in 1966 at N.V. Scheepswerf De Vooruitgang. Her round bilged displacement hull with 3 water tight bulkheads provides excellent seagoing capabilities and enables safe passages. Her machinery and equipment is up-to-date and of very good quality. The tasteful and timeless interior accommodates the owner and guests in two cabins. She will be auctioned online by Bright Auctions.
