Below is a description of the owner:

Over the past few years, I have for additional equipment and modernizations

In the value of more than € 90,000,-- invested.

Due to the manually foldable tool carrier, it is also ideally suited for inland waters, the

Berth is located in Mecklenburg-Vorpommern, over the winter in a heated hall.

Technically perfect condition, with invoices documented for maintenance, accessories and

Equipment and all "renewals"!

The Sealine 42.5 was regularly professionally polished and waxed.

A new generator with more power will be installed at the start of the 2025 season.

Underwater ship renewed in 2021 with osmosis protection paint and VC offshore, revised in 2023!

Last complete service spring 2025 including new anodes on the fuselage, trim flaps and shafts.

Sold with full diesel tank.

We have a complete equipment list with 40 renewal investments, all with

Date and covered with invoices!
