Description

Beauty knows no bounds!

Designed by naval architects Joubert and Nivelte, Tofinou 12 combines craftsmanship and modernity with respect for shipyard tradition, Tofinou 12 is a simple and elegant classic sailboat. With the same line and aesthetics of her sister ships, starting from her 12 meters, the Tofinou12 surprises with the speed and power sensations she gives during sea voyages to her owners. She is fast and safe, combining the beauty of teak and varnished mahogany with the modernity of stainless steel and carbon. Easy to handle and designed for both solo sailing and experienced crew, this luxury yacht also makes for great day cruises with her easy maneuvers by returning all lines to the spacious and comfortable cockpit. Everything is designed to provide fun sailing while tacking in a "Class America" style! Whatever the skipper's expectations, Tofinou 12 knows how to make the heart beat faster and generate powerful emotions: it is a unique, strong and enchanting day boat.
