Beschreibung

Nice v/d Stadt 34 with work hence the very interesting price! More info or appointment to view at 0514-569123 or broker@sailingworld.nl

This v/d Stadt 34 is basically a good boat, however, because the boat has not been used and maintained for several years, she has some overdue maintenance. Think of parts of the teak deck repair, cockpit tent replaced, varnish superstructure and here and there some leaks. Interested? Please contact us for more information or a viewing at 0514-569123 or broker@sailingworld.nl. The pictures are made as honest as possible but if you are interested more you can view it live. This boat is being sold in the condition she is in. Not sure if everything works as it should.
