Περιγραφή

Very nice Reinke 12 m steel yacht. Excellent yacht for blue water cruising.

This steel yacht Reinke 12M was built by the owner himself with great attention to detail. A beautiful and very solid seagoing vessel, designed for blue water sailing. Interior done in very nice quality, no maintenance backlog, only a few remaining woodwork needs to be done, most of the wood is included. Rigging including mast from 2021, bow thruster, Windpilot Pacific Plus self-steering system, complete electronics, wind generator, solar, water disinfection system, heating etc. An excellent long-distance yacht, please ask for all the details.
