Beschreibung

Spacious cruising yacht

The Jeanneau 51 is a luxurious cruising sailboat designed for comfort and autonomy on extended voyages. It features a modern, elegant design with a hard-chine hull, a long and sleek coach roof, and a spacious cockpit for multiple living areas. The boat prioritizes ease of handling, seakeeping, and a high level of finish.

Key Features:

- **Elegant Design:**
- The Jeanneau 51 boasts a modern design with flowing lines, a hard-chine hull, large hull ports, and a sleek coach roof.
- **Spacious Cockpit:**
- The cockpit is designed with multiple living areas, including sun loungers, a large table with a refrigerated compartment, and a swim platform.
- **Performance and Handling:**
- The boat features a classic mainsail, a 110% genoa, and a choice of two keels (standard and shoal-draft).
- **Comfortable Interior:**
- The interior is designed with meticulous attention to detail, using fine materials and offering various cabin configurations to suit different needs.
- **Safety and Seaworthiness:**
- Deep molded toe rails, extra-high guardrail height, and a double bow roller enhance safety, while the hull design and keel options contribute to good seakeeping.
- **Storage:**
- The Jeanneau 51 offers ample storage, including a large sail locker, under-floor lockers, and cockpit storage.

In essence, the Jeanneau 51 is a well-appointed, performance-oriented cruiser that combines luxurious comfort with the practicality needed for extended voyages. Delphine has a wrapped hull in Metallic grey. She is well equipped and maintained yacht and has a berth available at Denia until 2026
