Beskrivelse

Storö 34 Flybridge 2x Volvo Penta D3-190 EVC inboard/shaft drive 2008 for sale!

Price:
59.900 EUR

Description:
A real piece of Swedish motorboat legacy! This very beautiful Storö 34, the predecessor of Storebro 34, with aft cabin, dinette convertible to extra double bed and a big flybridge located in the southest part of Sweden in excellent condition is now offered for sale.

The boat that since 2006 is very nice restored/renovated, upgraded and modernized with new modern Volvo Penta D3-190 EVC diesels with new shafts and propellers and new engine gauges from 2008 and much more modern expensive electrical equipment such as new Raymarine GPS-plotter, new Raymarine autopilot with remote control e.t.c.

The boat has only 2 earlier pedantic swedish owners since it was sold new in Sweden in 1974! The current owner bought the boat in 2006 and have putted in many working hours and a lot of money in the boat that never had any bad wood!

Are you looking for a really nice and beautiful cabin or flybridge boat of the older classic model in the size 30-35 feet that is a perfect floating summer house with all the amenities you need to enjoy the boat as your floating summer house and you have a budget around 60.000 EUR, then don´t miss this very nice opportunity!

Maintenance:
Replacement of the engines to new twin Volvo Penta D3-190 EVC engines in 2008. All the bad frames were replaced with new laminated frames and the diesel tanks were replaced with new diesel tanks. Gearboxes newly serviced with new oil & new filters. Latest engine service (replacement of oil, all filters & impellers) in spring 2024. Belts and water pumps on both engines replaced with new in 2023. The boat is always winter storaged indoors in a temparated hall fully winter conserved.
