 Motortyp: Suzuki DF300APX
 Kraftstoffart: Petrol/Gasoline
 PS/kW: 300 / 221
 Kraftstoff: 400 l
 WC/Nasszelle: 0

Ausstattungen

Beschreibung

Summary

The Merry Fisher 855 Marlin features all the characteristics of an "SUV of the sea," as Jeanneau envisions it. It is in this spirit that she has been endowed with a contemporary design and distinct personality, excellent ergonomic design features, and extreme versatility. Akademia is fitted with a Suzuki 300Hp outboard engine allowing a cruising speed of 22 knots and top speed of 30 knots. She also has the premier comfort pack which has electronic fusion hub and heating. The Jeanneau Merry Fisher 855 Marlin is a great all weather cruiser and fishing boat that's big enough to handle less than ideal sea conditions and compact enough to handle with only one or two onboard. This Jeanneau Merry Fisher 855 Marlin has forward and aft cabins with a double and twin berths, separate heads and excellent all round visibility from the wheelhouse. Large cockpit to relax or to fish and fitted with bait boxes and rod storage. She is antifouled and ready to go for the 2025 season. [?]
