A ship with class and character. This beautifully maintained Wim Van der Valk Continental 15.50 "France Edition" combines Dutch solidity with elegant lines and a warm appearance. The hull was recently professionally wrapped, giving it a fresh, modern look.

The reliable Volvo Penta D4 engines ensure a quiet and relaxed ride, while the hydraulic bow and stern thrusters make mooring effortless. With the generator on board and a comfortable interior, she is fully equipped for longer stays on the water.
