Summary

The Ocean Star 56.1 is a well-regarded, large sailing yacht known for its spaciousness, comfortable living spaces, and seaworthiness, making it suitable for both coastal cruising and long offshore passages. It is a hand-built yacht, featuring solid laminates and attention to detail in its construction. Reviews often highlight its comfortable interior, good performance, and ease of handling, even with a smaller crew. A truly stylish yacht, she provides exceptional accommodation, breathtaking performance and straightforward, dependable handling. Equipped with an extensive equipment list, this luxury sailboat is perfectly suited for blue water sailingIt can accommodate 8 guests in 4 cabins. Three cabin version with crew cabin forward. Athena has been well maintained and upgraded over the last 5 years. New rigging, sails, electronics and many more items to make her a perfect boat to set sail straight away in. Benefits from all the Blue water kit required for long distance sailing including Air conditioning, generator, upto date Raymarine electronics pack and Gen 2 Starlink
