 Länge: 10,95 m  
 Breite: 3,28 m  
 Tiefgang: 1.7500 m  
 Gewicht: 7112.000 kg  
 Motortyp: Beta 38  
 Kraftstoffart: Diesel  
 PS/kW: 38 / 28  
 Betriebsstunden: 900  
 Kraftstoff: 210 l  
 WC/Nasszelle: 0

## Ausstattungen

## Beschreibung

### Summary

The Biscay 36 is a 36-foot long-keeled, ketch-rigged sailboat designed by Alan F. Hill for long-distance cruising. It was first produced in 1974 and is known for its easy motion, directional stability, and good sea-keeping abilities. The Biscay 36 is built with a full keel, typically with at least five berths and a doghouse for protection, and is designed to be handled easily, even in challenging conditions. Loose Goose has had a resent Beta engine fitted in 2021 and a mixture of Raymarine and Garmin electronics.

### Construction

**Full Keel:** Provides directional stability, which is beneficial for long-distance sailing but can make handling in tight spaces more challenging. **Steering:** Skeg mounted rudder and wheel steering **Ketch Rig:** Features a two-masted configuration, offering flexibility in sail handling and a balanced sail plan. **GRP Construction:** Built from fiberglass reinforced plastic (GRP), making it durable and relatively low maintenance. She also has Teak laid side decks and cockpit. Key Characteristics:**Designed for blue water cruising:** The Biscay 36 is a popular choice for offshore sailing and has been successfully used in the [Golden Globe Race](#). **Durable and Reliable:** Built with careful consideration for the rigors of long-distance sailing. **Good Sea Handling:** Designed to handle a variety of sea conditions with ease and confidence.

## Mechanicals

**Engine** Powered by a Beta38 38hp 4 cylinder inboard marine diesel engine new in 2021 Shaft drive to a 2 blade fixed prop. Just over 900 hours running time Lewmar bow thruster. **Electrical** The 12v ships electrical system is powered by 4 x 12 volt 115 amp batteries all new 2016 220v shore power with cable Battery charged of shore power charge and alternator **Water System** Pressurized Hot and cold Fresh water system The water is heated via Calorifier and by the engine Supply to Galley sink and heads hand basin **Tankage** 1 Stainless fuel tank - capacity 210 litres 1 GRP water tank - capacity litres

## Accommodation

Biscay 36's accommodation of 5 berths is comprised of a forward cabin with a double bed with very good stowage, a self-contained heads with a marine toilet and sink with pressurised hot and cold water. There are two single settee sea berths in the saloon, and a quarter berth further aft of the chart table. The saloon is comfortable and has a good sized saloon table. Biscay 36 has plenty of storage space for pilot books, navigation aids and plenty of good sized locker storage. Aft and to port is a safe and well contained galley comprised of twin sinks, a 2-burner gas oven and a coolbox To Starboard is a good-sized chart table and navigation area. This yacht has a 250L capacity of pressurised freshwater. The cockpit is very spacious and also has good sized storage lockers.
