Beschreibung

PINTA SMERALDA is a beautiful, high quality cruiser-racer, built in carbon by Marten Marine in New Zealand. Judel Vrolijk designed this Grand Prix Performance yacht,easy sailed by 2 people and equipped with all comforts to be on board with a family, including spacious cabins & airco. When the current owners saw this beautifully lined yacht sailing, it was love at first sight. 11 years later their dream became reality, after which no expense or effort was spared and the yacht is truly as good as new. Viewing by appointment via De Valk Thuishaven. PINTA is moored 30 minutes south of Rotterdam
