Ausstattungen

Beschreibung

This aluminium Robert Clark 64 is designed and built for comfortable liveaboard Blue Water cruising. She is easy to handle with a small crew and well-suited to both coastal exploration and offshore passages. Her pilothouse offers excellent visibility, safe watchkeeping, enabling easy all-weather sailing and protection while managing the sails from the cockpit behind it. In the second (aft) cockpit is an additional helm. On deck is plenty of ample for sunbathing, dolphin spotting, star gazing and relaxation. Below deck you'll find a large aft saloon and 3 cabins. Available for viewing in Spain.

Jan-Ward van Dantzig at De Valk Thuishaven is your go-to contact for any questions. Feel free to give us a call.

We provide only a selection of key information on this platform. For complete details, please visit our website, where you'll find:
